

Finally the sunshine has arrived! Fingers crossed it will stay with us a little longer. With this in mind, please ensure that your child has a hat available on sunny days.

After school clubs

The letter for after school clubs has now been issued and arrangements are being finalised. If your child is unable to attend a club please ensure that you have contacted the school office to let them know he/she cannot go. Staff running clubs take a register at the beginning of each session. Children who fail to turn up without explanation result in staff having to chase up individuals when the club should have already started. This then poses a safeguarding risk to those children in the club who need to be supervised. In order to avoid such a situation, it is therefore essential that parents and /or pupils contact the office.

Sports Relief

We have now had the final total counted and we are thrilled to inform you that collectively we raised £1208.64 for this worthy cause. Thank you to everyone who participated and came along to support the children in their fun run.

Y3 trip to Chedworth Roman Villa

On Monday Year 3 went on a brilliant trip to Chedworth Roman Villa. It was a sunny day, which was great (the original date for the trip was a snow day!) and the setting was beautiful. We split into two groups and all participated in three different activities. Each group had a guided tour of the villa, handled original artefacts from Roman times that were found on the site, and made a Roman medicine while dressed in Roman costumes. Everyone enjoyed the day tremendously, and learnt a lot of new facts from the Roman remains and our very informative guides. (Poster to follow).

Anyone for Tennis?

Fliers have gone out this week to invite our Chalford Hill children up to the courts with their parents and younger or older siblings to 'Try Tennis for Free'. It's an Open day celebrating the fantastic facilities we have up at the Sports and Social, which luckily the children in the juniors will all be experiencing this term. A bar will be open with drinks and food available to buy. There will be have-a-go opportunities with the speed gun and a chance to play with the coaches. Being 'British Tennis Weekend' means they will have a huge 20% discount to any new members joining the club this Sunday only. It's all starting at 2pm and leads into the evening where there will be a live band playing. Mrs Nesbit is looking forward to playing against anyone that's free to come up this Sunday.
