14th December 2018

Dear Parents/carers,

We have been reviewing procedures for reporting to parents and are keen to increase communication with regards to how your child is getting on in school.

In previous years we have issued mid-year reports in early January after assessments at the end of the Autumn term. This is usually followed by a parents evening the following week.

Feedback from parents/carers indicated that the period between January meetings and July annual reports may be too long a span. For this reason, next term we will continue to issue mid-year reports in January, with Spring term parents consultation meetings following on 2nd & 4th April.

We hope this will help us better share your child's progress with you.

As always, should teachers feel the need to discuss specific matters they will be in touch with parents/carers directly. Equally, should parents have any concerns, please do contact your child's class teacher to arrange a mutually convenient time to talk.

Kind regards,

Mrs Corinne Martin
Headteacher
