14th December 2018

Dear Parents/carers of children in reception,

We have been reviewing procedures for reporting to parents and are keen to increase communication with regards to how your child is getting on in school.

In previous years we have issued mid-year reports in early January. This is usually followed by a parents evening the following week. Having taken on board feedback from parents/carers and taken account of the very different curriculum approach to the Early Years Foundation Stage, instead, we propose to hold an open afternoon on Wednesday 16th January at 2.15pm, in which you can come and see your child in their class setting. During this time your child will get an opportunity to share with you their lovely work, while class teachers will be available to talk through any questions you may have.

We are mindful that there may be circumstances that prevent some parents being unable to attend the afternoon session. If this is the case, please speak to Mrs Flood/Mrs Lewis to arrange a mutually convenient time to come and see your child's work.

This afternoon will be in addition to the Spring term parent's consultation evenings, which will be held on 2nd & 4th April.

We really appreciate the support that parents give to the school and hope that this is a further opportunity for you to touch base with your child's class teachers.

Kind regards,

Mrs Corinne Martin
Headteacher
