

Nature Quiz

Well done to our nature quiz team who competed in the County Semi Finals of the Gloucestershire Wildlife Quiz earlier this week. It was an exceptionally high standard, with some of the rounds being timed too!. We are thrilled with the team's performance and are delighted to say that whilst they did not make it through to the finals they came 8th out of all the schools from across Gloucestershire. Congratulations Sam, Charlie R, Meg & Dom (Year 6); you represented the school brilliantly. A massive thank you must go to Mr Bocock and Dr Helen Taylor for all the hard work they have put into providing such great opportunities to learn about wildlife in the locality - truly amazing!

Quad Kids

Chalford Hill's County Quadkids team and many 'hardened to the rain' parents braved the weather this week and headed to Hartpury College. We were welcomed to the indoor facilities of a sports village, where the children were able to access many different sports and fun activities. The 4G rugby outdoor facility was all set up and the competition was underway with no rain falling for the duration. The children, once again, performed to the best of their abilities, with some super running, jumping and throwing from all. However, as a smaller school in the county, unfortunately we came across some very strong competition from the eventual winners, Robinswood School in Gloucester. Well done to Molly for gaining a Respect certificate, awarded for showing this attribute during her competition. We were placed 8th school in the county. An amazing result!

Non-Uniform Day

Thank you to everyone who supported the PTA by sending in filled jars / pre-loved teddies in preparation for the Summer Fair. Thank you also to everyone who has already signed up to help. I have checked the schedule and we do still need some more volunteers to ensure the smooth running of the day, so please take a look and help in any which way you can.

Speaking Competition

We wish Meg & Wilf (Year 6) the best of luck as they go through to the Thomas Keble Speaking Competition finals next week.

Cystic Fibrosis Awareness Day - Friday 21st June -

The children and staff will be participating in Cystic Fibrosis Day next Friday. As a way of raising awareness, everyone is invited to wear yellow to school. We will all be learning more about Cystic Fibrosis and what it means for young people on a day to day basis.

Junior Performance - Tuesday 2nd and Wednesday 3rd July, 6pm

Now we are back for our last term, preparation for our junior play has commenced. This year, we have chosen to perform Alice in Wonderland-The Musical. Each class has been given a scene to work on and Year 6 chose the roles they would like to audition for. Some of us decided we wanted to work on props or on the ICT /graphics/music team instead of acting. All the classes are busy practising their songs and lines and we can already see the play coming together. Just this week alone, children have been seen roaming around the school searching for materials to make our weird and wonderful props. We are looking forward to performing in front the younger children and all our families.

Ben I, Year 6

Information on how to get tickets will be sent via Parentmail next week.

Success Story

Laurie (Y5) competed in his first judo competition recently in Kidderminster and got a silver! Congratulations Laurie.

99 Club

Congratulations to the following children who have been awarded badges as part of the 99 Club.

Year 2	Year 3	Year 4	Year 5	Year 6
Finley		River	Laurie	Emily
Monty E				Finn
Ella				Ben R
Madeleine				Max
				Rihanna

REACH

Congratulations to the following children who have been awarded REACH certificates this week.
