

Dear Parents/carers,

In September, one of a number of whole school development priorities will be to review our whole school behaviour policy. In preparation for this, we are in consultation with pupils, staff and governors but we are also keen to hear from you as parents about what you think works well currently and equally any suggestions you may have moving forward. You will therefore find attached a consultation slip which we would be most grateful if you would complete and post into the return box in the school office by Thurs. 11th July.

Thank you for your time.

Kind regards,

Mrs Corinne Martin

<u>Behaviour system review.</u>	
Please fill in columns below and return to the school office by Weds 10 th July	
<i>(WWW) What works well?</i>	<i>(EBI) Even better if...</i>

This will feed into our review of the whole school behaviour system in September.
