8th November 2019

Dear Parents/Guardians,

On the 18th November Road Safety Week starts and the Eco-Council want to raise awareness of the dangers of the road. We also thought we could combine road safety skills with trying to stop air pollution around Chalford. So, we have decided to ask everyone to make a pledge to try and walk to school at least 3 days of the week over a period of 2 weeks. When you are walking to school, you can use your road safety skills for real! We know some people drive every day, but we are doing this for our community and our planet too! If you can't walk all the way to school, you can still park about halfway. Try to walk as much as you can out of the 10 days!

We really hope that you are able to help us reduce pollution, keep safe and stay healthy too!

Yours sincerely

Rowan and Tommy

Rowan (Y6) and Tommy (Y4) *Eco-Council Reps*
